

CARBON FIBER FRAMES, LIGHT WEIGHT,
NOT EASY TO DEFORM, NO TEMPERATURE EXPAND

CARBON FIBER GAUGES

3348-301

- Carbon fiber frames, light weight, not easy to deform, no temperature expand
- Total range of point: 10mm
- Measuring force: 8-12N
- Point material: carbide cylindrical surface and alloy steel flat surface
- Adjustable platform height
- Optional accessory: 0.001mm digital/dial indicators
