

DLC COATED THREAD RING GAUGES AND PLUG GAUGES

DLC coated GO ring gauge

DLC coated GO plug gauge

- The DLC coating has the following advantages:
 - High hardness, extremely wear resistance
 - Low friction coefficient
 - Corrosion resistance
- Plug gauges: GO is coated, NO-GO is not
 Ring gauges: GO is coated, NO-GO is not
- The following thread ring gauges and plug gauges are available with DLC coating
 - Metric fine thread ring gauges and plug gauges(4632, 4642 series)
 - Metric thread ring gauges and plug gauges(4631, 4641 series)
 - American standard thread ring gauges and plug gauges(4633, 4643 series)
 - Whitworth pipe thread ring gauge and plug gages(4635, 4645 series)
 - PG thread gauges(4637 series)

Code example:

Original code	DLC coating code
4641-12	4641-12-DLC
